

# David Koons is the Perfect Speaker to Entertain, Educate and Inspire Your Audience!

These topics are available as keynotes or workshops ranging in length from an hour to multiple days.

## **"Let Your Millionaire Out!®"** – *Unleash Your Inner Genius*

David says; "You have a Millionaire Inside fighting to get out... and the only person holding this Millionaire back is You!" During this highly experiential presentation, you will come to know that you have an essential role to play and how to overcome the paralyzing effects of fear and doubt. It's time to Be More Than A Possibility!

## **"Tactical to Practical"** – *Success Secrets of High-Achievers*

What do quantum physics, neuroscience and everyday success strategies have in common? Find out during this highly enlightening, always entertaining training that demystifies the latest research in quantum physics and neuroscience and how incorporating this material into your daily habits is essential to everyday success... and the devastating consequences of not including it.

## **"Essential Leadership"** – *Achieving Individual & Organizational Success*

Discover the simple, yet profound qualities of the effective leader during this powerful training. From leading a multi-billion dollar organization or yourself toward an individual goal, learn the traits all great leaders possess and techniques to immediately apply them to your life.

## **"Charlie Mike!"** – *Developing a "Whatever-It-Takes" Mindset*

In today's world, "trying" is not enough, it takes unreasonable persistence to achieve your goal. Whether meeting a corporate objective, sales goal or developing a new business, taking consistent action toward your goals is a must. David shares the lessons behind the Special Forces motto, "Charlie Mike" to ensure that no matter the fear, adversity or doubt standing in your way, that you "continue the mission" and achieve a successful outcome! WARNING: This presentation is not for the faint of heart.

## **"Say Again, Over!"** – *Million Dollar Communication Techniques*

Let's face it, one of the biggest challenges facing executives, employees, entrepreneurs and small-business owners (not to mention many relationships) is your ability to understand someone else while you are understood. During this highly experiential training, you learn and practice the secrets of effective communication.
