

David Koons

BE MORE THAN A POSSIBILITY™

David Koons turned a childhood of “underachievement” into his ‘personal success accelerator.’ Using the principles he teaches, David turned what others thought were weaknesses into strengths. He has amassed an impressive series of successes that continue to this day. He is an internationally recognized expert in *getting out of your own way and achieving massive results.*

David is the founder of “**Let Your Millionaire Out®: How to Get Out of Your Own Way and Lead Yourself to Success,**” and President of CoreFX Training, a rapidly expanding personal development company based in North America, serving thousands of clients in over 40 countries internationally.

David is adamant that he does not “fix people,” because he strongly believes they’re not broken. Using proven strategies, David thrives on helping people gain greater awareness of their unique gifts and provides them with the necessary tools to breakthrough their personal resistance.

He continues to enjoy working with and sharing the stage with some of the top authors and speakers in the world including: Mark Victor Hansen, T. Harv Eker, Wayne Dyer and John Childers.

David is famous for saying: “***You have Millionaire inside fighting to get out and the only person holding this Millionaire back is You.***”

Most importantly, David is highly sought-after because his strategies are fast and effective! He has used these same strategies to:

- Build (and help build) multi-million dollar companies in numerous industries.
- Serve eight years with an elite Special Forces unit in the United States Marine Corps.
- Complete numerous Ironman® Triathlons (2.4 mile swim, 112 mile bike, 26.2 mile run)

The Business of life does not have to be hard. David believes anything is possible and that each of us has an essential role to play. His events change people’s lives.
